

The Yeadon Guiseley DMC Annual Charity Trial on 28th December 2009 was run in memory of Gordon Thackray, a regular Observer for the Club and supporter of motorcycle sport, who was tragically killed in a motorcycle accident in April of 2009. The Club asked Gordon's son and daughter to nominate a Charity to whom the donation would be made in their father's memory - the Charity nominated by Steve and Jenny was The Auto Cycle Union Benevolent Fund. The total raised and donated was £450.
