

2016 DATE APPLICATIONS - TRIALS CHAMPIONSHIPS

The Trials & Enduro Committee are now inviting expressions of interest from Organisers wishing to run a round of the various British and ACU Trials Championships.

At this point we are not asking for you to supply dates, as the FIM and FIME fixtures are still not confirmed and we are therefore at present to set the British Solo dates which of course may affect you're even and personal but we would like you to register your potential interest.

You will see attached a sheet summarizing the class structure of the individual Trials Championships agreed on for 2016 and we would assume that if you apply for a round it would be on the understanding that you are prepared to run your event to this format. Championship Regulations and Conditions will follow when fixtures are established.

Please therefore complete the following brief details and return to steph@acu.org.uk or post to -:

ACU HOUSE, WOOD ST, RUGBY, WARWICKSHIRE, CV21 2YX as soon as possible but by 30th September latest

Name of organising club -----

Contact – *Name ----- *NB This should be the point of contact for all further correspondence relating to the event
