Now please read all the following statements and sign below.

Acknowledgement of the Risks of Motorsport

- I understand that by taking part in motorsport I am exposing myself to a risk of death, becoming permanently disabled or suffering some other serious injury.
- I acknowledge that even in the event that negligence on the part of the ACU, any organiser, any landowner, or any individual who is employed by or carries out duties on behalf of any of these entities, were to be a contributory cause of any serious injury I may suffer, the dominant cause of any serious injury will always be my voluntary decision to take part in a high risk activity.
- I accept that insurance arranged on my behalf by the organisers of events that I may enter specifically excludes liability between the participants.
- I understand that this form may be used in litigation as evidence that any serious injury will be principally the result of my voluntary decision to engage in a high risk activity.
- I acknowledge that my participation in motorsport is entirely at my own risk.

Declaration

- I understand that if I have given any false information in this application you may take disciplinary action against me. This might include my licence/registration being permanently withdrawn.
- I will read and comply with the National Sporting Code and the Standing Regulations of the ACU.
- I understand that it is my responsibility to ensure that I have the correct licence/registration card for any competition I enter and that my licence/registration card will not guarantee my entry into, or acceptance into, any competition.
- In completing this form I confirm that I know of no medical condition (epilepsy, fits, blackouts or any condition which may cause loss of consciousness) that would impair my ability to compete or cause injury to others or myself.
- I consent to the collection and retention of my personal information by the ACU.
- I consent to any necessary information concerning an injury at an event being given by the attending doctor/paramedic/first aider to the Clerk of the Course or incident officer of the event and also to my own doctor and my relatives. The doctor may also give information to other persons, according to the doctor's own professional ethical code.

Declaration in respect of minors under the age of 18

Please tick the section which applies to the minor's age group.

Under 14

I consent to the minor competing in motorcycle sport. I understand that whenever the minor competes a parent (or legal guardian) must be present.

Aged 14 or 15

I consent to the minor competing in motorcycle sport. I understand that whenever the minor competes a responsible adult (who need not be his/her parent) must be present. In respect of events which I am unable to attend, I agree that the responsible adult who attends with the minor has my authority to sign competitor documentation on behalf of the minor.

Aged 16 or 17

I consent to the minor competing in motorcycle sport. I understand that there is no requirement for the minor to be accompanied to events by an adult. I authorise the minor to sign competitor documentation on his/her own behalf.

Declaration in respect of minors under the age of 18

I have read and understood the "Acknowledgement of the risks of motorsport" which appears above. I appreciate the dangers inherent in motorsport which include the risk of death or permanent disablement.

The minor does not suffer from any physical, medical or mental disability which would make it unsafe for him/her to participate as a competitor. I accept that it is my responsibility to ensure that the minor and I have read and understood the National Sporting Code of the ACU, Standing Regulations, Supplementary Regulations and Final Instructions subsequently issued and Entry Forms and that he/she will comply with them. I accept that photographs or video footage may be taken of my child by officials dealing with safety issues or accident investigations. Photographs may also be taken for promotional purposes and may appear on the ACU website or in ACU publications. To the best of my knowledge and belief the minor possesses the standard of competence necessary for events of the type to which his/her entries relate and that the machines entered will be suitable, safe and will comply with the Regulations for those events.
