

## 2019 National Trials Dates

In order to confirm the 2019 National and Championship dates as soon as possible and to improve the standard of the Championships, the Trials and Enduro Committee would like potential Organisers to complete the enclosed application form. At this time we are only interested in finding out which clubs are interested in running an event next year.

### **Please read the following to understand why we need the information**

**Details of Championship Event** - Each year we endeavour to raise the standard of events and Championships however with new applications and old events having changes of management, we would like some idea of what you are planning e.g. start venue, type of course, facilities available, etc.

**Points of Contacts** – We are finding more often that we are not getting rule changes and important information to the people actually running the events and this is why we are asking for two points of contact. Ideally this is the Secretary and the Clerk of the Course. However we realise that sometimes Clerk of the Courses are imported/borrowed as they have a National licence and the Secretary is enlisted as they are a competitor's wife/mother/husband hence we need to contact the driving forces behind the event.

Our policy is to avoid World and European Championship rounds clashing with the British Solo Trials Championship, Youth A & B Championship and the Ladies Trials Championship in order for the best British riders to compete in our British Championships.

Note: We have listed the intended 2019 Trials Championships which may be important for any Championship applications. These are not at present cast in stone but are unlikely to change a great deal.

**British Solo Including Elite Youth A**

**British Solo C & D**  **Preference will be given to a 2 Day Event**

**British Solo A & B**  **i.e Saturday C & D Sunday A & B**

**S3 Trials Championship**

**British Sidecar Trials Championship**

**Ladies and Girls Trials Championship**

**British Supertrial Championship**

**Trail Bike Championship**

**Normandale Masters Championship**

**National Trials Event**
