

The following offers are only valid for ACU approved clubs until 31st December 2021.

OFFER 1: FREE LIVE TIMING

For any ACU club, MYLAPS offers free Speedhive Live Timing Web on request in 2021.

Being Orbits 4 not supported anymore, Orbits 4 users cannot renew this service in 2022 but will need to upgrade to the X2 Timing System and Orbits 5. To help you upgrade we're running a special trade-in deal with a large discount, see offer 3 for more information.

Speedhive Live Timing Web includes:

- ▶ Live leaderboards
- ▶ Banner positions for your sponsors
- ▶ Custom URL
- ▶ Map tracking

Costs: Speedhive Live Timing Web - FREE

Terms: The free Speedhive Live Timing Web will end on the 31st of December 2021. (E.g. if a club signs up for this offer in June, their subscription will expire at the end of December as well.)

OFFER 2: RACING DEVELOPMENT PROGRAM

Purchase 30x 2-year (or 5-year, if you prefer) MYLAPS transponder subscriptions and get an X2 Timing System free of charge.

Racing Development Program includes:

- ▶ 30 x TR2 transponders (2 or 5-year subscription)
- ▶ X2 Server
- ▶ X2 Decoder
- ▶ Speedhive Live Timing Web 1 year
- ▶ Orbits 4 upgrade to Orbits 5 Standard

Terms: All event results must be uploaded to the MYLAPS Speedhive website. If this doesn't happen, then MYLAPS reserves the right to charge the user €800 per year (for a maximum of 5 years) for the leasing of the hardware. At the end of the five years the equipment is officially owned by the club. The agreement is completed directly between MYLAPS and the club.

Costs: 30 x TR2 Transponder MX 2 year - €3.198,3 + VAT (Or choose 2 Year TR2 Car/Bike Transponders)

30 x TR2 Transponder MX 5 year - €5.677,8 + VAT (Or choose 5 Year TR2 Car/Bike Transponders)

Optional TR2 Charger Case:

1 x TR2 Charger Case - £1,900.00 + VAT (excluding transponders)

The following offers are only valid for ACU approved clubs until 31st December 2021.
